REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 1-9 are allowable over the prior art because the prior art does not disclose or suggest the combination of the following features: a plurality of controlling modules for supplying control signals to each of different types of testing modules, for generating different types of test signals, mounted on testing module slots; an enable signal controlling means for instructing a specific testing module to generate and supply an enable signal to a controlling module corresponding to the specific testing module; and a setting means for setting the controlling module that received the enable signal so as to supply a control signal to the specific testing module based on hardware setting information that was set in advance in the controlling module.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hal D. Wachsman whose telephone number is 571-272-2225. The examiner can normally be reached on Monday to Friday 7:00 A.M. to 4:30 P.M..
